

Martin County Farmers Market Manager

The Martin County Farmer's Market is seeking a part-time manager. The manager will serve as a liaison between the Martin County Farmers Market Association and the NC Cooperative Extension Service in Martin County. To prevent conflicts of interest, applicants should not be current vendors. The Farmer's Market is open mid-May through late August. Several specialty markets, including a Christmas Market and a spring market, are also offered. The duties of the manager's duties include:

- *Assign vendor booth spaces
- *Ensures the market is in compliance with all local, state, and federal, laws pertaining to the market's operation
- *Ensure that vendors can provide copies of all applicable licenses, permits, and forms before being allowed to sell at the
- *Advertising/promoting the market
- *Opening and closing the market building
- *Having the building ready for vendors one hour prior to the opening of the market
- *Organizing and scheduling non-profit groups to operate the concession stand
- *Providing a clean market
